SUE WILDE**

AGREEMENT

This is a binding agreement (the “Agreement”) between
(print your first and last name) _____ (the “Student”) and
the Inner Garden School of Colon Hydrotherapy and Sue Wilde (the “Instructor”) effective on this day ____ of _____, 20____ for the 265-hour Professional Colon Hydrotherapy Training (the “Training”).

PROGRAM STRUCTURE

There are two components of the 265-hour Professional Colon Hydrotherapy Training with Sue Wilde.

Part One

200 hours of online learning. The course modules are administered through the International Association of Colon Hydrotherapy’s (I-ACT) Cengage learning platform. Student will be given approximately 3-6 months to complete this self-paced course of study. The study modules will include the following topics:

- Anatomy & Physiology
- Microbiology
- Intestinal Health
- Nutrition
- Drug Interactions
- Business Ethics/Office Procedures
- Complementary Modalities

Guidance

Throughout this online learning, Instructor will be monitoring Student progress. Support and guidance will be given to Student as they work through each individual module, via various means of communication.

Part Two

65 hours of in-person training with Instructor. This will take place live, in person in the presence of Instructor, over approximately a 7-10 day consecutive period. There is no possibility of distance or virtual learning for this part of the course.

This training will include the following topics:

- Anatomy and Physiology of the alimentary tract
- Health and Sanitation
- Office procedures
- Practicum - including a minimum of 35 client sessions. Student will be practicing client sessions on an FDA registered closed system

Equipment

Student will be receiving training on the closed system equipment: Dotolo and/or Aquanet 2000.

Attendance and Missed Training

100% attendance is expected for the 65 hours of in-person training with Instructor. If Student misses more than two days of classroom training during the allocated period of in-person training, the Student will be charged a full amount for each make-up day.

Practicum

Practicum includes giving, receiving, and observing 35 sessions. Receiving additional sessions are at student price: \$80/session (after class hours).

CODE OF CONDUCT

Student will conduct themselves in a professional manner at all times during the Training including and not limited to: the in-person training sessions, the classroom sessions, and in the building where the training is to be held. This includes during the practicum portion of the training - 35 colon hydrotherapy sessions with clients. Based on the discretion of the Instructor, if any misconduct occurs, at any point the Student may be asked to leave or be dismissed from the training with no possibility of refund.

If you are a colon hydrotherapist, please answer the following questions:

When did you begin working as a colon hydrotherapist? _____

How many clients per week do you currently see? _____ What type of equipment do you use? _____

I-ACT Policy Statements

I-ACT requires the use of currently registered FDA equipment and only disposable speculums, rectal tubes, or rectal nozzles. However, should the Therapist use reusable speculums, these speculums should, at a minimum, be autoclaved for sanitation and cleanliness (30 minutes). Additionally, the autoclave unit must be tested and inspected by competent authority at least four times per year- maintain documentation. (Under NO conditions should a disposable speculum or rectal tube be reused). Individuals that use reusable speculums and/or are not using FDA registered devices will be removed from I-ACT membership on 12/31/2018.

I-ACT recognizes the FDA classifies equipment used to instill water into the colon through a nozzle inserted into the rectum to evacuate the contents of the colon into three distinct classes; Class I (Enema Kits), Class II and Class III are (Colon Irrigation Systems). Follow the guidelines of your manufacturer, as approved by the FDA for the type of equipment (devices) you are using. Make no claims as to the use of your device other than those approved by the FDA.

I-ACT recognizes there are two distinct types of colon irrigation systems; open and closed systems. However, it is I-ACT policy that the colon hydrotherapist / technician is always in attendance / or is immediately available to the client throughout the session. The degree of assistance is to be in compliance with the instructions of the manufacturer of the equipment as registered with the FDA, and/or as directed by a physician.

The I-ACT policy on insertion is to require the client to insert the rectal tube or speculum; or, follow the instruction of the referring physician; the guidelines of the manufacturer as approved by the FDA; or the directives from the authority of your city, county, state, or country ordinances.

I-ACT recommends that you do not put the initials (CT) for colon hydrotherapist after your name, write it out in full. According to most state laws, putting initials after your name is not allowed unless you are licensed or have a degree from an accredited professional school.

Advertising copy which states or implies that colon hydrotherapy can treat any disease, promise cure for any disease, or that makes unsubstantiated medical claims SHALL NOT be used.

I acknowledge the I-ACT policies and agree to comply with all I-ACT policies. I understand that failure to comply with the policies listed above may result in my removal from the association.
